

## FILTER 9010

VRX-9010

### DESCRIPTION

Protection **against solid and liquid aerosols** with or without oil, electrostatic retention system. Filter odor remover. Good weight distribution, compatible with SKÖLD devices.

**NIOSH** approved for environments containing certain oil and non-oil based particles.

### PRODUCT DETAILS

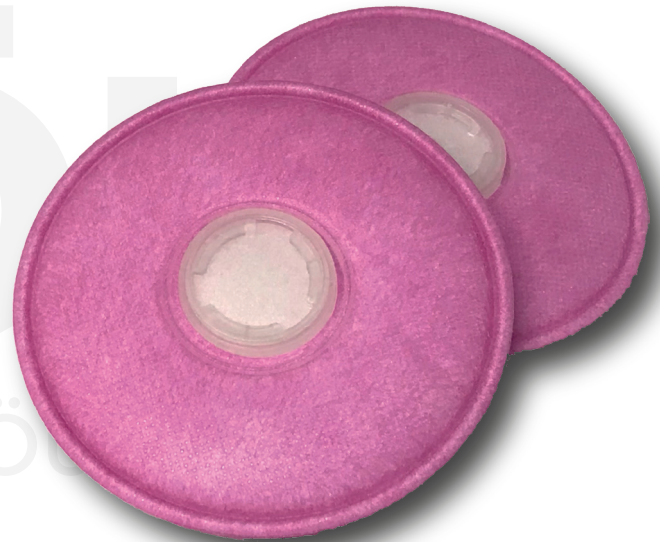

- Dust protection (including cotton, carbon, aluminum, wheat, iron and free silica)
- Protection against solid and liquid aerosols with or without oil
- Non-woven fabric made of polypropylene and polyester.

### APPLICATIONS

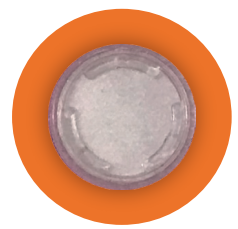

- This filter is used in conjunction with a breathing filter kit.
- Compatible with **SKÖLD** devices.

### USE LIMITATIONS

- Do not use in environments where concentration of pollutants exceeds 10 times the limit of exposure with half-face devices or 100 times for full face. Do not use in atmospheres whose oxygen content is less than 18%. Do not use in atmospheres immediately dangerous to life.
- Do not use in atmospheres containing toxic vapors and gases at levels equal to or above the TLV.
